Commodore's Report . . .

by Richard Nowina

commodore@dalhousieyachtclub.com

"Stay at home -as much as possible"

Hi everyone, I have just finished listening to our premier Doug Ford, announce the provincial lockdown and his pleading with us to take COVID-19 more seriously than Ontario has.

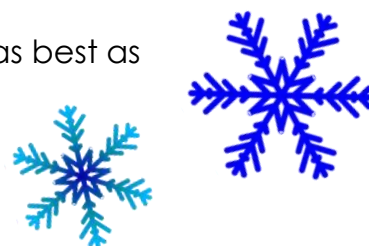

What does this mean for DYC? In two words -less, and different. I am happy to report that DYC has been compliant to a large extent and to date no Covid-19 cases have been reported as a consequence of DYC activities. That does not entitle us to be complacent.

The Sunset Dining Room has already cancelled events. DYC's essential maintenance events will continue by incorporating the appropriate COVID-19 protocols. More news will follow, meanwhile:

I hope you all take care to protect yourselves, family & friends as best as possible. Enjoy the holidays and I look forward to seeing everyone post the lockdown.

Best wishes everyone,

Richard

This!!!! @DalhousieYachtClub I wish you could smell & taste this!!!

Treasurer's Report . . .

by Paul Demare treasurer@dalhousieyachtclub.com

As 2020 comes to an end, it marks a difficult time for DYC due to the pandemic. As members, we worry about our home, workplace and country, as the Covid crisis continues to influence our mental, physical and financial wellbeing. It affects our behaviour as club members, which reflects how we enjoy the club.

While there are a few members who have made the decision to leave, the overwhelming majority of members are happy to remain part of the club and support it wherever possible. This year membership invoices went out in December and members have been responding with prompt payment. Thank you all.

While we have strong support from our members, we are a small club and it's tough to continue to maintain our assets and infrastructure without members continuing to volunteer. We have made great progress over the past few years, but, we still have challenges to meet.

Once we get COVID-19 behind us, we will be an attractive club for potential members to join in our boating, dining and social events.

The club is strong with member energy as the travel lift, dock repairs, and clubhouse improvements attest. Best of all potential members are beginning to notice. We have a great future.

Dock Chair's Report . . .

by Leigh Brown

docks@dalhousieyachtclub.com

To all my friends of DYC

It's been a full year despite these challenging times, we continue to come together both remotely and in smaller than usual groups. I'm thankful for being able to keep in touch with all of you online, over the phone and in text, cruising the 1000 islands over the summer (at anchor mostly) and putting our travel lift back together this past month.

In case you hadn't heard IT'S ALIVE, IT'S ALIIVVEEEEE!!!

I'm looking forward to keeping the momentum going, finishing up the new docks for the travel lift and spending more time in our newly renovated harbour. But for now, we can continue to get take out and join in on the virtual Trivia nights to help stay connected while staying ... apart.

Talk soon,

Leigh

Great Teamwork ~ Filling bellies with lunch donations for our members working in the cold. Chili, lentil potato curry, macaroni salad, bean soup, buns, sandwiches, cookies + coffee were this days menu. COVID-19 considerations all in place.
