Vice Commodore's Report ...

(By Jason Smyth)

Hello all,

This is my first report as Vice Commodore so please bear with me. I apologize but due to emailing trouble last month, my report was not received.

As Vice Commodore I expect to be rather busy supporting Simon, our new Commodore, as well as the rest of the board. My commitment to our Learn to Sail program will not change and Jeff Mackie and I are feverishly planning to make 2018 the best year to date.

It has been a whirlwind first few months. In the past month, Jeff Mackie and I attended the Ontario Sailing Workshop and AGM in Toronto. It proved to be an excellent opportunity to meet like minded people from clubs province wide and to learn a lot from the various workshop sessions. We'll be utilizing much of this new knowledge in the years to come.

I also attended the Council of Commodores meeting at Port Credit Yacht Club with Richard Nowina where there were many discussions regarding the difficulties of 2017, upcoming minimum wage increases and insurance claim issues.

Lastly, I attended another workshop in Burlington, held by the Ontario Trillium Grant Foundation, to learn about the granting process and what grants could possibly be available to our club. It was extremely informative and exciting. More on this in the future.

I'll end my report by wishing everyone a safe and happy holidays.

5 months to launch!!

Cheers,

Jason

Memberships & Communications ...

(by Tracey Cookson)

Happy New Year, members!

My name is Tracey Cookson. My husband, Chris, and I are happily docked at slip #25. We've been boaters our whole lives; primarily small lake boating and self-propelled rowing boats! Chris rowed for Canada for several years and now thoroughly enjoys our power boat. Oars are up for us now-a-days! We have 2 active boys – Tanner is 25 and an avid cyclist who road races. He too rowed for several years but has since turned to cycling. Matt is our 22-year-old musician! He is a very talented guitarist for his band *Revive the Rose*. Always music in our house as he enjoys his guitars – we love it!

It is my goal to always be available to you, our members, to listen to your feedback (both good and bad) working together to make our membership experience healthy and long lasting. Our club has a lot to offer and I intend on using this opportunity that I have, as a board member, to promote all things DYC.

Our services for members and visitors alike; our restaurant that never disappoints; our welcoming facility with the best view in town are all fantastic reasons to share in the secret that DYC is the best little club on the lake.

I've had the pleasure of meeting some members and truly look forward to meeting many more!

Dock Chair Report ...

(by Wendy Northcotte)

"On the Board again....Just couldn't wait to be on the Board again" (with thanks to Willie Nelson.) This run I have been assigned the responsibility of dock chair on the Board. Last year's dock chair, Jeff Newkirk, has been most helpful as I ease into this role. I had an opportunity to meet with the dock committee who have been overseeing planning, and identifying and working on issues related to our docks. Impressive!! They are dedicated and hard working. Dave Pressley took me around to all the dock areas, providing me with a list of dock issues needing attention now and as the boating season approaches. The group has erected a protected work area in 'C' yard and when the steel channel, due shortly, is delivered they will begin working on the fabrication of the structure to accommodate our new 'D' dock.

Wendy

Cruising with Dalhousie Yacht Club

DYC Club Cruising is a pleasant way to enjoy the yacht clubs around the lake. DYC cruises offer a chance to explore new places and people while getting to know your own members better! Whether traveling solo, with the entire family or somewhere in between, our cruises offer something for everyone. Our cruising program is open to everyone at DYC, whether you're a racer, non-racer, a beginner, intermediate, seasoned cruiser or Associate member. Cruise by sailboat, powerboat or land yacht.

Our destinations are reciprocal yacht clubs, so dockage fees are nominal if any. A group potluck is our custom for Saturday evening dinners. As a result the costs are kept to minimum, leaving your spare change available to take in the nearby attractions or shopping. Our agendas are loose enough to allow our members time to do their own thing, while providing some social hours.

The sign up sheets for this year's cruises will be posted on the DYC Notice Board as we add cruises to our summer roster. Sign up is mandatory to ensure a dock is waiting for you at our destination. Friday nights can often be accommodated, but not guaranteed. Please indicate if you plan to arrive early.

Space is often limited so PLEASE be fair to your fellow members and cruisers around the lake. If you cannot make a cruise that you signed up for, please let us know before the Friday of a cruise. (Someone on the lake will want to take your place!)

Please call if you would like to learn more about cruising with DYC. If you have ideas or suggestions on destinations, we would love to hear from you.

EAT DRINK ENJOY!

Dalhousie Yacht Club's Sunset Dining Room & Lounge has a tradition of welcoming members and guests for over 50 years. Our focus is on eating well with fresh, often local, interesting foods served in the comfortable, welcoming and nautical atmosphere of our waterside dining room, lounge and patio. Our Lake Ontario sunsets are spectacular.

The **Sunset Dining Room's** regular menus are always complimented by our weekly specials and the club's many social events. Food allergies, special diets, children's meals, and even ordering your favorite wine can all be accommodated, with advance notice. If your diet allows, the list of decadent desserts changes regularly to end your meal.

The facilities are available for weddings and special events. Groups from 18 to 100 can dine and enjoy the fabulous view. Wedding packages can be arranged for \$30—\$45 a plate.

Wedding parties will enjoy the fantastic scenery and views at Port Dalhousie. Many photographers come here to snap that perfect picture of the happy couple.

We can even line up a boat at the dock for those special pictures.
